

2017 ANNUAL REPORT

Jared:

"I would like to thank you for all you've done for me and my family....you helped me reach my dream of playing college football.....helping pay for equipment and all the fees.

Joseph:

Age: 10

"Joseph made it to state in wrestling this year where he placed 8th!

Now on to football!

Thank you!"

Olivia:

"Thank you everyone at Angels of America's Fallen for providing financial support for Olivia's place on SUA Crew. She absolutely loves the sport and her teammates!

Thank you!!"

Joe Lewis, CEO AOAF:

"As we look back on the accomplishments of over 300 children served by AOAF in 2017, the true measure of impact can't be expressed in words. These children are the definition of success." Joe

Jared

Thank you!

What an amazing year! 2017 has truly been an outstanding year for all of the children we support at Angels of America's Fallen.

Joseph

Olivia

The unbelievable support we received from all of the outstanding people across our great country absolutely made it all happen. Well over 300 children were able to pursue their passion, with many able to pass major milestones in their lives during 2017. They could not have done it without your support.

Major Events:

Throughout 2017 Angels of America's Fallen enjoyed spectacular support with numerous fundraising events held across the country. Aside from our Angel Gala which was a tremendous success in raising over \$57K, we were supported by San Diego twice. Both the Holes for Heroes golf tournament and the No Greater Love film screening on the USS Midway were a great success in raising over \$20K. Our Board of Trustee member John Farnam was the catalyst for the San Diego events, thank you John!

Our Impact:

As we enter our sixth year, the fruits of our program are beginning to show. Of the 17 graduates in 2017 we have compiled feedback of the impact Angels has made in their lives.

Surviving parent response highlights:

1. Participation in AOAF programs contributed to our families overall well-being: **100% strongly agree**
2. Participation in AOAF programs has made my job as a surviving parent easier: **100% strongly agree**

"Giving a child hope and happiness and particularly the ability to learn and grow and participate in something they are excited about can bring healing." from **Susan**, surviving parent.

Our amazing sponsors:

Angels of America's Fallen would not be successful if not for the generosity of our amazing sponsors. Whether financial donations or in-kind support each sponsor had a significant impact in our ability to deliver support to children of our fallen. While it's impossible to list every sponsor say that here we are proud to contribute \$10,000 or more with MTSI as our top cash sponsor with a very generous gift of \$25,000. Please see our website for a full list of sponsors at: <https://aoafallen.org/supporters/our-sponsors/>

Thank you sponsors!

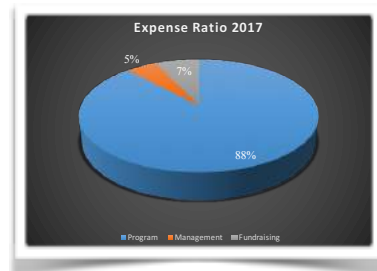

Annjela, Krystle, Keira, Emma

Boston

Financials:

Angels of America's Fallen operates a very efficient program, for 2017 we have averaged spending \$0.88 on the program for every \$1

received.

2017 formal audit results are posted on our website!
